Hotel, Restaurant and Gardens

## Conference Packages

Ston Easton Park is a Grade 1 listed Palladian Mansion surrounded by beautifully landscaped parkland. The house is set 11 miles South West of the Georgian City of Bath and 12 miles south of the Commercial Centre of Bristol.

There are a number of rooms within the house that are ideally suited as conference or meeting rooms. We also have a more unusual room for a company get together is our original Georgian Kitchen, with its original Range and Aga, and copper pots and pans.

All of our well-appointed bedrooms have direct dial telephones with voicemail and data port facilities.
